Subject: Breaking & Entering on Man O War Ct

Good morning,

I found some Ring surveillance on the North Padre Islanders facebook group of a few men who broke into a house on Man O War Ct. The Crime Report shows that it was reported April 7 at noon.

We have some very clear photo grabs from the video. The comments on Facebook say they took televisions and fishing rods.

I was wondering if y'all had anything on this!

Thank you,

Cat McGinty

Thank you Lt! A couple of follow-up questions

1. Will Deputy Chief White be my primary coordinator for the onboarding Portal, or should I continue reaching out to you?
2. I'd like to identify the key coordinators/stakeholders at CCPD for the following roles. These people would be my primary contacts at the PD for their roles.

Partnership Coordinator - the main point of contact(s) for the Ring partnership **You and Chief White (TBC)**

Press Coordinator - typically the PIO who would work with Morgan (PR Coordinator) from our team to coordinate announcements. **You**

Social Media Coordinator - person(s) in the department who manages comments on Facebook, Twitter, NextDoor, etc (if different from #2)

Investigative Coordinator - generally a detective who will be your resident expert when the department wants to send a video request.

Community Relations Coordinator - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

Subject: Corpus Christi PD / Ring Neighbors Onboarding Next Steps

Lt. Pena,

Thank you for connecting earlier! *Recap and a few action items from our call below as promised.*

I'll also be sending a separate, follow-up email with PR materials so we can get started on the public announcement components ahead of the onboarding as well.

1. POC Contact Information

Please complete the attached spreadsheet for the folks that were on the call today. I will create demo accounts for everyone and forward them this email.

2. Onboarding

a) Projected Date: Wednesday 5/22, Thursday 5/23, Tuesday 5/28 or Wednesday 5/29. One day only.

Recommended schedule below:

Session 1: Community Engagement @ 9 AM to 10:30 AM

Attendees: Community outreach, crime prevention, social media, dispatch

Session 2: Investigations @ 11 AM to 12:00 PM

Attendees: CID, analysts, evidence, all others

2. Portal Requirements

a) Browser Compatibility - Portal is compatible with Chrome, Firefox, or Edge. Please refrain from using Internet Explorer or any others not listed above.

c) Alert Zones - Please send me an image file (PDF, JPEG, etc.) of your beats/zones/sectors/districts/divisions. My operations team will create Alert Zones based on your breakdown.

3. Initial Public Announcement / Ongoing Engagement

Ring's PR Coordinator Morgan Culbertson and I will be following up separately with additional PR materials to help as we coordinate the initial announcement and begin strategizing for long-term engagement.

4. Commenting Template

Community outreach/crime prevention officers review the Neighbors feed in Portal and provide comments. That is because these officers are trained and experienced with speaking to community members, connecting with them and helping them. Through Portal they share information, offer recommendations and ask the community for help.

[Here are our most common comments from agencies around the country.](#)

Thank you everyone again for your time earlier and let me know if I forgot anything!

Best,

Sami

Supervisors,

Sami Tahari with the "Ring" video door bell would like to conduct some training on May 31st.

Here are the times and what personnel should attend.

- 0900 to 1030 For PIO, social media, community outreach/crime prevention, dispatch.

- (Michael Pena, Gena Raichert, Raquel Ramos)
- **1100 to 1230 For investigations, evidence, analysts and anyone else who will use Portal or would like to attend the onboarding.**
- (James Smith, Lt. Frank Perez, Karisma Olalde and anyone else that you think would benefit from the training)

I have secured the CompStat room for the times listed.

If you could let me know who will be attending so that I can sort out the seating for the session.

Hi Lt. Pena,

Apologies for the delay here are your answers:

- As an Admin you can invite anyone at CCPD to the Portal. Log into your Portal, click on Admin Tools, Manager Users and Add User:

NEIGHBORS FEED REQUEST VIDEOS MANAGE VIDEOS RESOURCES ADMIN TOOLS

New User

☐ Admin

☒ Video Requests

☒ Agency Posting

Email *

ADD USER

E NO.	ACTIONS
-------	---------

You can grant your colleagues Admin, Video Request and Agency Posting access.

Once you create their account, they will receive an invitation to join Portal in their inbox. They create a password and then they're in Portal! Please don't forget to tell them they should use Chrome or Firefox.

- Districts A, B, C and D were created for your Portal. Would you like the beats as well, or are the districts enough?

Best,

Sami

Hi Lt. Pena,

Portal accounts can have three settings enabled/disabled: Admin, Posting and Video Requests. Commenting is permanently enabled on all Portal accounts, but there are two things in your favor:

#1 Comments will appear as Rank/Title Last Name - CC PD (example: Lt. Pena - Corpus Christi PD). So, if one of your colleagues comments it will display as that person's info.

#2 You can establish an SOP for your colleagues. Some SOPs I've seen before: You can only comment if you have been given permission. For example: crime prevention officers can comment to provide tips/clarifications, detectives can comment if a resident has posted a video and the detective wants a statement from the anonymous resident.

On Tue, Jun 18, 2019 at 12:22 PM Michael Pena [Police] <MichaelP@cctexas.com> wrote:

Sami,

Hi Lt. Pena,

Apologies for the delay here are your answers:

- As an Admin you can invite anyone at CCPD to the Portal. Log into your Portal, click on Admin Tools, Manager Users and Add User:

A screenshot of a web application interface. At the top, there is a navigation bar with links: "NEIGHBORS FEED", "REQUEST VIDEOS", "MANAGE VIDEOS", "RESOURCES", and "ADMIN TOOLS". Below this, a modal window titled "New User" is open. It contains three radio button options: "Admin" (selected), "Video Requests", and "Agency Posting". Below these options is a text input field labeled "Email *". To the right of the modal, a dark blue button labeled "ADD USER" is visible. Below the button, there is a table with headers "NO." and "ACTIONS".

You can grant your colleagues Admin, Video Request and Agency Posting access.

Once you create their account, they will receive an invitation to join Portal in their inbox. They create a password and then they're in Portal! Please don't forget to tell them they should use Chrome or Firefox.

- Districts A, B, C and D were created for your Portal. Would you like the beats as well, or are the districts enough?

All,

This young male suspect was caught on a Ring camera stealing a package from a front porch, the picture posted below was from : Lakers Nation Ct (#1908120055) and another possible location was at the intersection of High Meadow Dr & Wakeforest Dr (unknown case number). The videos show him pulling up in a black compact car, possibly a Toyota Camry or Corolla. See attached videos below and contact Lt. Frank Perez (886-2876) for more info.

Chief,

Here is the information that I received from Sami.

It looks like if the officers get access through the Department then they would be able to make comments.
I am not sure that I would want this type of access for all officers.

Thank you,

[[WARNING: E-mail from outside e-mail system, avoid clicking on links or attachments. When in doubt, call the Help Desk at 826-3766]]

Hi Lt. Pena,

Portal accounts can have three settings enabled/disabled: Admin, Posting and Video Requests. Commenting is permanently enabled on all Portal accounts, but there are two things in your favor:

#1 Comments will appear as Rank/Title Last Name - CC PD (example: Lt. Pena - Corpus Christi PD). So, if one of your colleagues comments it will display as that person's info.

#2 You can establish an SOP for your colleagues. Some SOPs I've seen before: You can only comment if you have been given permission. For example: crime prevention officers can comment to provide tips/clarifications, detectives can comment if a resident has posted a video and the detective wants a statement from the anonymous resident.

On Tue, Jun 18, 2019 at 12:22 PM Michael Pena [Police] <MichaelP@cctexas.com> wrote:

Sami,

Is there a way that the officers can log onto the app but view the comments only?

I am not sure that I would want them to all be able to post comments.

I would like them to be able to see what is going on in their beats if they so wish.

Thank you,

Lt. Michael Pena #1752

Hi Lt. Pena,

Apologies for the delay here are your answers:

- As an Admin you can invite anyone at CCPD to the Portal. Log into your Portal, click on Admin Tools, Manager Users and Add User:

You can grant your colleagues Admin, Video Request and Agency Posting access.

Once you create their account, they will receive an invitation to join Portal in their inbox. They create a password and then they're in Portal! Please don't forget to tell them they should use Chrome or Firefox.

- Districts A, B, C and D were created for your Portal. Would you like the beats as well, or are the districts enough?

Best,

Sami

On Tue, Jun 11, 2019 at 12:29 PM Michael Pena [Police] <MichaelP@cctexas.com> wrote:

Sami,

I was looking at the ring portal and had a few questions.

How would our field officers and supervisors be able to open the site?

Would they simply go the site and log in using their work email and then create a password?

Do you have a timetable for the districts and beats to be added to the map?

Much appreciated,

Lt. Michael Pena #1752

Subject: Ring

Lieutenants,

The PD and Ring have come together to bring you another tool to help us better serve our community. Investigators and PIO can request video on behalf of the PD.

Our goal as a department is to use this tool to allow all officers the ability to see what is happening on their beat or district.

Though we cannot make officers put the Ring App on their phones, we can encourage them to.

I am requesting that each of you download the Ring App for your work phone and set up a profile for the area you are supervising.

Just remember, when you are setting up your account, use your PD phone, email, etc.. and put an address or area in that you are supervising. You can adjust the area within the app once it is set up by adjusting the mileage around the focal point.

Thank you,

Deputy Chief Christopher White

Subject: Re: Ring/ Neighbors/Questions

We do not have the ability to watch live video in the Ring app. We do have the ability to send out a request via the PD portal asking Ring owners to share their videos with us if they have one of value.
If you need a request like that made, it goes through the crime analysts or PIO.
They in turn send out the request.
It may be days before we get a response though.

To: David Cook <davidc@cctexas.com>; Christopher White <ChristopherW@cctexas.com>
Subject: Ring/ Neighbors/Questions

Capt Cook and DC White,

Today, C1, B1 and A1 had a BMV suspect run from us. We set up a perimeter and began going house to house. Thinking...I wanted to use the Ring/Neighbors app to send out a message to the only the 3-5 block area to alert the home owners, provide them with details as to what we are doing in their neighborhood, a description of who we are looking for and why and provide them with instructions on how to assist us in locating the suspect. I spoke with Lt Bintliff today and we are both at a loss of exactly how to do this. I also had dispatch call the PIO to see if there was a reverse alert or a way to send out a message using Ring/Neighbors. PIO Lt Pena was at a loss as well.

Understanding that we are in these type of situations a lot- officers in an area, looking for a suspect, we should develop a way through Ring/Neighbors to do this. I just don't have the knowledge. I will continue to research the Ring app because I believe we can do this.

I attached what a citizen did on ring today and I would like to be able to replicate what he has done. Please see attached.

As you will see on the attachments, someone added a great description and placed the area perfectly See Ring 3. I replied to his comments by stated the offender had been arrested. See Ring 6. Eventually, someone added that the situation had been resolved and this is on the top of Ring 3.

So, with that being said, is there someone who knows the ins and outs of this program that can meet with me to show me the full capability of this program. I might be able to teach myself the basics but I would prefer to use the app to its fullest potential.

Oh and by they way we ended up locating the offender. S/O Lolo Cantu still has it.

Nick.
